

VANCOUVER USA

walking map

Welcome to Vancouver USA! Stretching northward from the banks of the Columbia River, Vancouver's city center is comprised of a diverse array of neighborhoods and overlapping districts, including Downtown, Uptown Village, the Historic Reserve, and the Waterfront. Let this walking map be your guide to the area's shops, restaurants, activities, historical attractions, tasting rooms, and art galleries. Our walkable community can easily be traversed by foot in less than 25 minutes, from one end to the other. Pedal or hike along our urban trails—like the Discovery Historic Loop and Waterfront Renaissance Trail—for a longer, scenic route around the area.

uptown village

Situated between W 15th Street and East Fourth Plain, Uptown Village includes the charming residential neighborhoods of Arnada and Hough. Main Street acts as an artery connecting the communities, and the majority of its eclectic businesses can be found concentrated around the thoroughfare.

waterfront

Vancouver's Waterfront has grown to include the seven-acre Vancouver Waterfront Park, Grant Street Pier, and a new cluster of shops and restaurants. The Waterfront Renaissance Trail connects the scenic eastside with the urban development to the west.

downtown

The heart of Vancouver, Downtown offers a mix of historic and modern buildings lining the business-filled blocks between 5th Street and East Mill Plain Boulevard. Public art can be spotted on almost every corner, and year-round events keep Esther Short Park humming with activity.

historic reserve

One of the first permanent settlements west of the Rockies, the Historic Reserve is home to Fort Vancouver National Historic Site, the Victorian homes of Officers Row, and the oldest continuously operating airfield west of the Mississippi—Pearson Field and Air Museum.
