

VDA LOVES ART!

As you enjoy your time celebrating original art in our downtown, be sure to note some outstanding public art. Four projects (**Flying Umbrellas** at Evergreen and Main, **The Phoenix** at 8th and Main, **Movie Madness** at 11th and Main and **Heart and Stone** at 6th and Columbia) were commissioned by Vancouver's Downtown Association. Downtown Property Owner, Menashe Properties, has added an outstanding piece recently at 11th and Main. It is titled '**Uskudar**' and is by local artist Lee Kelly.
